

Cricket News

Wow!! What a difference a month makes. Well done to our cricketers who played their second match of the Reg Kelly Shield against Morpeth Public School last Friday. Our bowling was outstanding and we backed this up with some tremendous fielding efforts.

After a slow start with the bat we got into a rhythm and past their total with overs and wickets to spare. A huge thank you goes out to Jett and Drew's dad for volunteering his time to umpire on the day. Your dedication is much appreciated. I'm sure the team really appreciated the family, friends and classmates who came to cheer them on. We as a community are so proud of your efforts.

Congratulations on a well-deserved victory.

DUNGOG SHOW 10TH & 11TH NOVEMBER

Dungog Shire Council has partnered with Ability Links NSW to provide Dungog Show 2017 with an EVENT TENT, busy events can often get overwhelming, sometimes you just need somewhere to take a time-out or seek some quiet space particularly if you have a disability or need.

The EVENT TENT is designed to be used to provide a free safe and supportive space for people to retreat to when they need some time away from the busyness and noise of the show. The tent contains smaller sensory tents with tools designed for children particularly those who have sensory processing disorders. The tent will cater for a broad cross section of people with disabilities, their families and carers, as well as older people or parents with prams. It will be operational throughout the 2 days of Dungog Show.

The Fizzics team are back

High Noon – Sat 18 November
Multi Purpose Centre Dungog High School

Paterson Allyn Williams Science Hub is ending the year with a BOOM!

The 'Fizzics' team that were the hit of the 2016 Dungog Festival are back with an explosive show.

Originally designed to be run at the Powerhouse Museum, **...tick, tick BOOM!** gets noisy as they explore the science behind explosions. This is not just a series of tricks, the experienced presenter will cover a multitude of science concepts in an exciting and informative presentation - for both the young and young at heart.

...tick, tick BOOM is a free one-hour event at the Multi Purpose Centre, Dungog High School. Enter from Chichester Dam Road.
