

Happy Holidays

This has been an extremely busy term, especially for our office staff who are learning a new finance and administration system. This begins early next term so please have patience as office staff have new ways of doing things. I hope everyone has a safe, relaxing and well deserved break. We look forward to another busy Term 3.

Netball News

Congratulations to our girls who played Dungog last week in the PSSA netball knockout competition. Although gallant in defeat the girls played with enthusiasm until the final whistle. The team would like to say a big thank you to their families and friends who came to support them throughout the competition. A huge thankyou to Amy Merchant who kept score on the day and Mia French's sister Morgan for giving up her spare time to umpire our games. Well done

girls, Paterson community is so proud of your efforts, commitment and sportsmanship you displayed throughout the competition. I am sure we will be seeing some of these girls down at the Maitland Netball Courts in coming years.

Hooray we scored some tries! On the 27th June some girls and boys were privileged to participate in a touch football gala day knock out competition. We all got to play 3 games at least. Everyone encouraged their team mates although the girls got knocked out in the second game against Clarence Town and the boys got knocked out in their first game which was against Dungog. We all put in 100% and tried our best. We would all like to thank Mr Lowrey for putting in all his time and effort to coach us. Thanks so much Mr Lowrey for making this day possible!
