

1/2 News Flash 2017

Term 3 has been an exciting and busy term so far. This term we have been working hard in class and focussing on Lining up and Resilience lessons. Students have been working well in Numeracy, Literacy, Music, Science, Creative Arts and reading groups.

Students have started writing some great narratives, poems and recounts. Year 1 and year 2 have been eager to participate in Education Day activities such as Maths 3D construction with connect straws and tile patterns, displaying tessellating shapes. Fitness and Creative Arts are popular with the class and they loved making puppets for their assembly performance.

Year 1 and year 2 are very creative and performed well at their assembly as they were resilient and able to adapt to change.

Every day is a wonderful day with 1/2!!!!!!!
regards, Miss Potter
